The theme of our 1982-83 yearbook, is based on the theme, "Reflections of Indian Heritage." This theme is portrayed throughout the book in all the activities that have been handed down through the years. The original theme of Pec High annuals, the first being published in 1923-24, was *Aim 'Igh*. This has remained the traditional basic theme. The 1926-27 yearbook staff expressed this theme with the following poem that they published.

Aim high!  
Watch the target with an eye  
Steady as the eagle's glance;  
Fit your arrow, let it fly,  
Fear no failure, no mishance!  
Aim high!

Aim high!  
Though your arrows hurtle by,  
Miss the target, sail below,  
Pick them up, once more to try,  
arms a-taut, and eyes aglow!  
Aim high!

Aim high!  
Learn to laugh and cease to sigh,  
Learn to hide your deep chagrin!  
Life's a test where arrows fly,  
Where the true of heart will win!  
Aim high!

There are many interesting facts about the history of the high school. The first two year course Pec High School students graduated in 1868, and it wasn't until 1915 that the first four year course students graduated. The first Pecatonica Grade and High School was constructed in 1862. This was replaced by a two story brick grade and high school in 1894. In 1930 a high school addition was made to this, which is the present grade school. The present Pecatonica High School was constructed in 1956.

The course of study for 1931-32 compared to our present courses available have changed as one can see from the following:

Although there have been other school colors, Purple and Gold were one of the first. The 1930-31 annual published this poem expressing pride in our school colors.

Although some have always favored  
The yellow and the blue,  
And the gentle sons of many  
To the red and white are true,  
We will stand by our loved colors;  
Till it shall e'er be told,  
Pecatonica stands defender  
Of the Purple and the Gold.

Through the four long years of high school,  
Midst the scenes we love so well  
As the mystic charms to knowledge  
We vainly seek to spell,  
Of we win athletic victories  
Getting fame that n'er grows old,  
Still we work for Pecatonica  
And the Purple and the Gold.

When the cares of life o'er take use  
Mingling fast our locks with grey,  
Will our dearest hopes betray us  
False fortune fall away;  
Still we banish care and sadness  
And it shall e'er be known,  
Pecatonica stands defender  
Of the Purple and the Gold.

Throughout the 1982-83 annual we will reflect on the heritage of many activities and functions of Pec High.

# GOLDEN MEMORY

The week preceding Homecoming was fun, exciting, and competitive for all. For the special week the staff and Student Council planned many entertaining activities for the student body.

Tuesday was "Penny Day." Each class compered against each other to see who could collect the most pennies. Tuesday was also "Colors Day." Each class was assigned two certain colors to wear. The combinations proved to be somewhat odd but entertaining.

There were hilarious relay races at a pep assembly on Wednesday afternoon. Some of the events in the relays were running with a football between your knees, pushing a football across the gym floor, and tug-of-wars between the classes.

Thursday was designated as "Stuffed Animal and Hat Day." The bonfire was held and the Homecoming Court was announced that evening at the Fairgrounds.

Friday was "Purple and Gold Day." Everyone tried to bring in the most points for the class by wearing something purple and gold. This, perhaps, was one of the closest competitions throughout the week. In the overall competition, when all the points for each class were tallied the seniors took 1st place and got the trophy for having the most points all week.

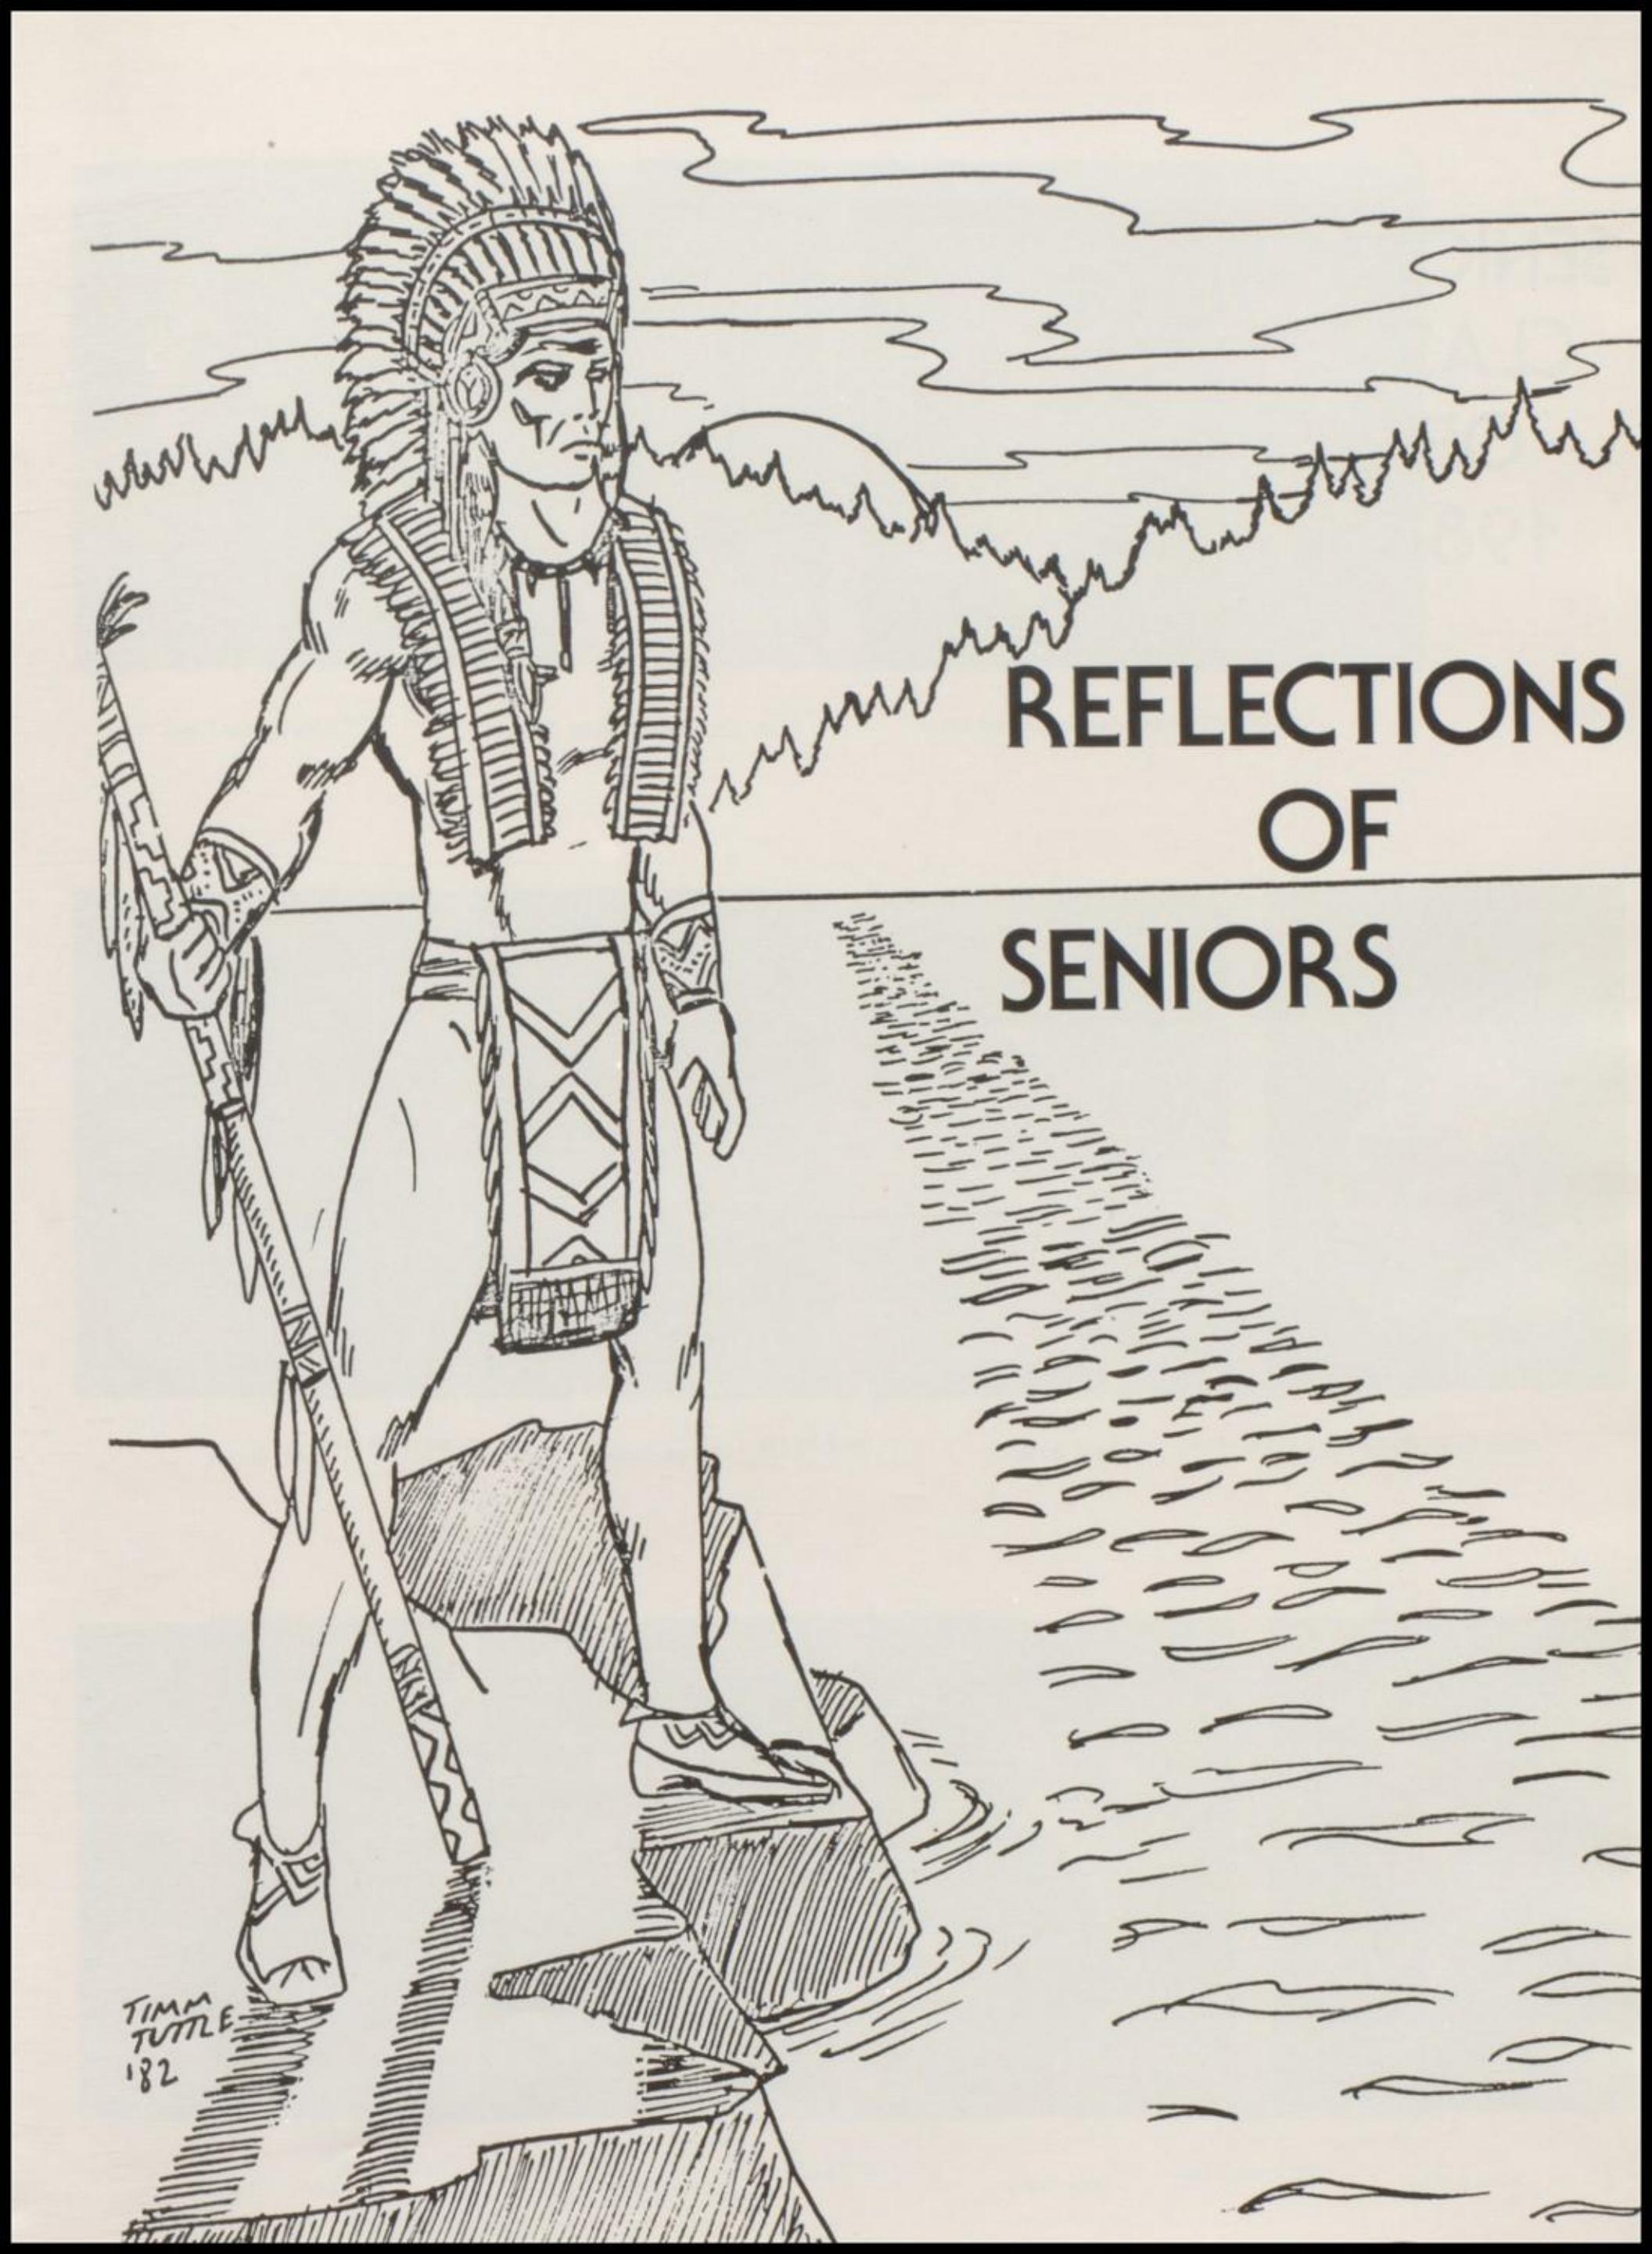

At the end of the week, everyone agreed they had an experience that would not be forgotten.

The Homecoming game is always the highlight of Homecoming week. This year it was even more anticipated because we played Winnebago, our arch rivals. As everyone knows, for years the Pec/Bago game has meant playing, not only for a victory, but for the much treasured Silver Bucket. Although a gallant effort was made, the Indians lost by a close score of 16-8.

The student council decided to try something different this year by hiring the R.J.'s, a disk jockey. This had an interesting effect. Again this year the student council and F.H.A. decorated the gym with the colors of Autumn, which reflected the theme "Autumn's Golden Memory."

BOARD OF EDUCATION-FRONT ROW- Mrs. Joanne Klein, Mr. Steve Allen, and Mrs. Sue Tipton, President. BACK ROW- Mr. Harold Herrmann and Mr. Robert Voltz. NOT PICTURED-Mr. Henry Ferling, Secretary and Mrs. Bernadine Harker.

To the Members of the Class of 1983:

Congratulations on successfully meeting the challenges of Pecatonica High School. As a result of your accomplishment, you are ending one phase of your life and entering a challenging new world. We hope that the skills you have mastered in high school will help you to meet the future with continued success, happiness, and enthusiasm. We hope you will return to share your adventures with us. You are graduates of Pecatonica High School and we are proud of you!

Mr. Terry L. Bowers, Principal

To the Members of the Class of 1983:

To quote from Charles R. Swindoll, "We are all faced with a series of great opportunities brilliantly disguised as impossible situations." As you walk off of the graduation platform, you will view the world either as a challenge ahead or as an impossible situation. Some of you have prepared yourselves well and have firm goals in life. Others may have regrets for missing opportunities and see the forthcoming world as an impossible situation. Remember, that impossible situation can be a really great opportunity in disguise for you too.

Regardless of your relative standing in your class — one of the highest achieving classes in the history of the school — you are better educated than the previous generation. The age of knowledge explosion has provided you with information alone that would overwhelm those in previous generations.

All of you have basic knowledge and skills that will vault you into many rich experiences. Also, your development as a person has been more than that of accumulating a reservoir of knowledge.

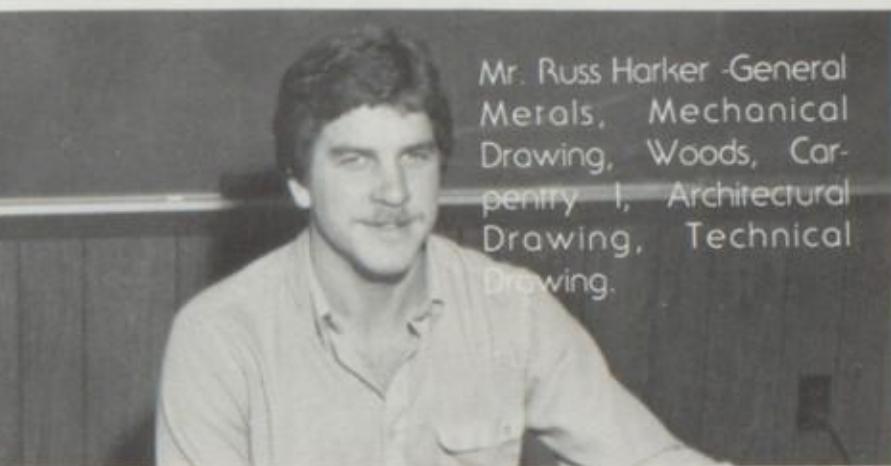

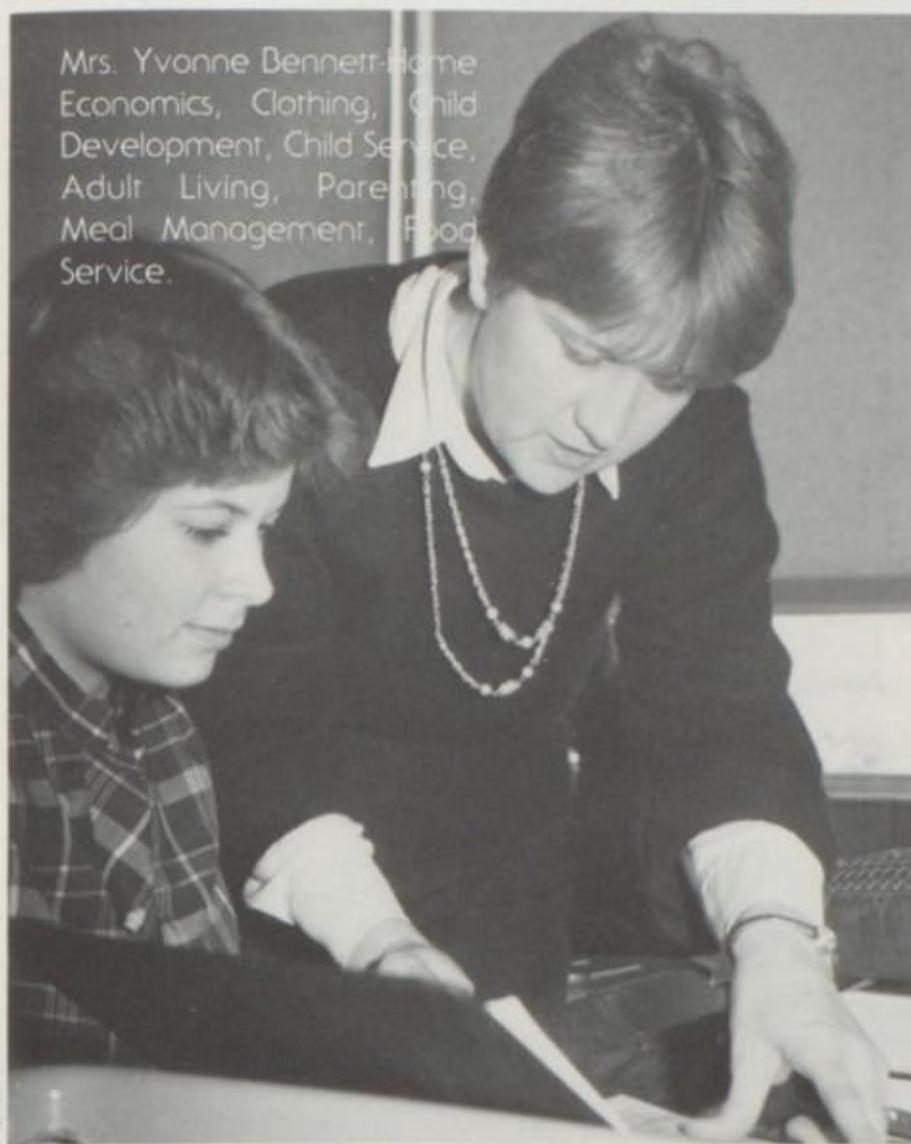

I trust you will keep the joy of discovery alive and that you will not let one opportunity pass you by. I wish you all the best that life has to offer for your future.

The Frosh-Soph football team had a very good season. The young Indians ended with an overall season record of 6 wins and 3 losses, and a conference record of 4 wins and 3 losses.

Under the leadership of Coach Larry Schnorr and Assistant Coach Doug Kuban, the team played a very satisfactory and successful season.

Coach Schnorr commented, "These young men are to be congratulated on a very fine season. With the exception of the Mount Morris game, this team was in contention down to the final gun in every game. This team is deep with the potential to produce some excellent varsity players next season."

BACK THEN ...

The 1930 Football Team started out with 25 members. But several dropped out until only 19 men were left to face a tough season. Pec had a successful season of 7 wins and only 1 loss. They played such teams as Brodhead, Byron, South Beloit, Honenegah, Harlem, Durand, and Stockton.

# ON GRIDIRON

"A season of effort" is the best description of this year's football season. The team did not have the winning record of the previous years, but the knowledge gained by the juniors should benefit them in the year to come.

Although they were weaker all-around compared to the rest of the conference teams, the score showed that they were able to hold their own and were not blown out of many games. Under fourth-year Head Coach Mike Miller, the Indians had many bright moments throughout the year. A little inexperienced at the beginning of the season, the players gradually became accustomed with each other and put forth a group effort.

The team had many hardworking individuals that made the team very strong.

Coach Miller best summerized the season, "We had a really good season. I was very impressed with the volleyball skills all members of the team showed. It was a very exciting season, especially when we defeated good teams like Winnebago and Byron.

# SHOWS SPIRIT

This year's Forsh-Soph boys had a strong desire to win, but their record of 0 wins and 14 losses for conference, and 4 wins and 16 losses for the entire season did not do them justice. The team, which was coached by Mr. Russ Harker, had 5 freshmen and 10 sophomores. The 5 freshmen placed well in a freshmen tournament. With the experience they gained, next year's Frosh-Soph and Varsity teams should both be strong contenders. Coach Harker gave his thoughts on the season as follows: "We had a lot of hustle and desire, but the teams that we played had more height and talent. I think we did well considering what we were up against, but we always had one bad quarter that hurt us." With all things aside, the Frosh-Soph team still enjoyed the season.

## BACK THEN ...

In spite of the lack of a gym, the determination of the 1925-26 basketball team pulled them through the obstacles. They were able to hold their practices at Winnebago and produced two teams. They did not have the size, but they made up for it through diligent work. They wrapped up their season with 8 wins and 14 losses. The different teams that Pec played against back then were Roosevelt Jr., Harlem, German Valley, and Lincoln Jr.

The 1983 Varsity basketball team opened the season by winning the consolation championship of the Pearl City Turkey Tournament.

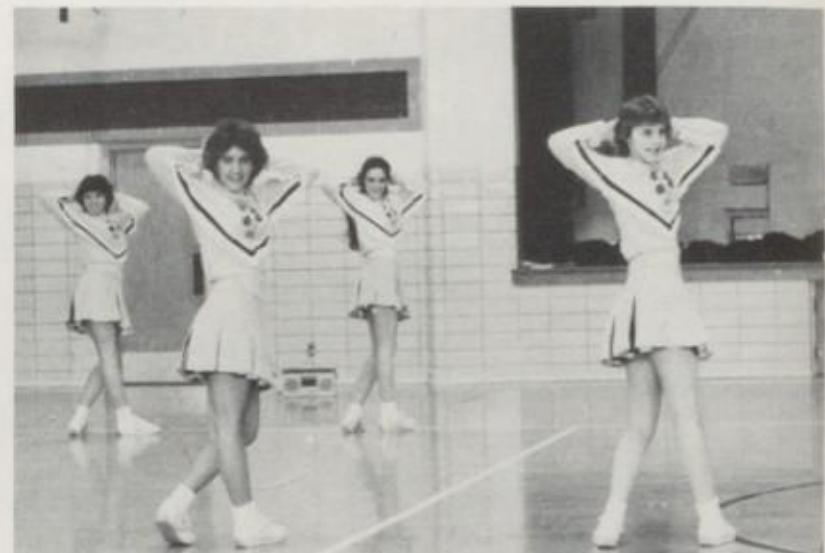

The team consisted of 6 seniors and 6 juniors. Their season record was 14 wins and 11 losses, and their conference record was 9 wins and 5 losses. This put them in a third place tie with Mount Morris.

Coach Schnoor summed up the season by saying, "Pecatonica should be proud of these young men. Their intelligence, maturity, and competitive spirit is what we strive for in the education of our students. It was a privilege to coach them."

The Pom Pon Squad for the 1982-83 year had 16 members. They spent Wednesdays and Thursdays after school working to perfect routines for the football and basketball games. They participated in Northern Illinois University's homecoming parade with the Pec Band.

To earn money for camp and uniforms they held a car wash during the summer before school, and sold fruit and cheese.

During homecoming week, they sold purple fuzzys and marched in the homecoming parade. They also participated in the Memorial Day parade.

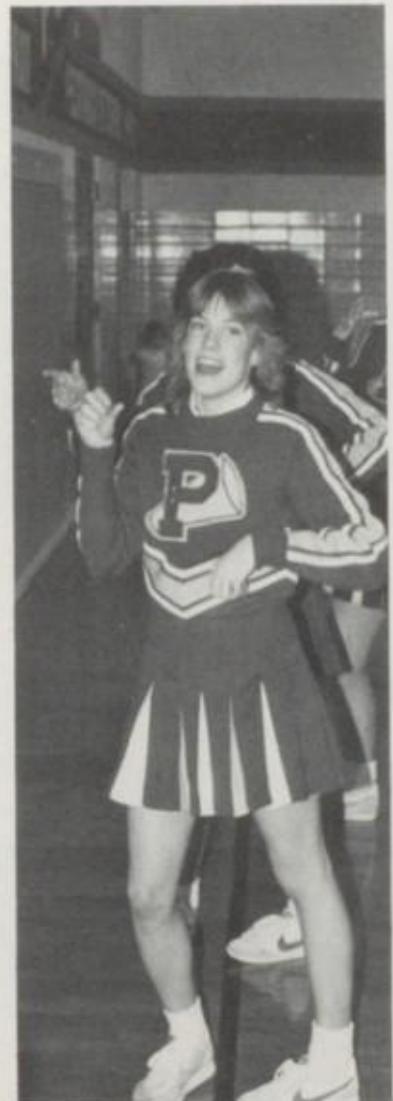

The advisor, Mrs. Wiese, was very helpful with money management and keeping the girls striving for perfection.

# THROUGH YEAR

This year's Frosh-Soph Girls' Basketball team improved from game-to-game throughout the season. All of the girls were quick and tough on defense. Offensive threats included Amy Ferling and Xan Miline, who were also excellent rebounders. Michelle Howard added to the team's rebounding strength, while DeLayne Hungness was the dynamo who kept the ball moving for Pec.

These four sophomores also played well in the Varsity Regional Tournament and should be an asset to the 1983-'84 Varsity team. This year's freshmen gained a lot of basketball experience, worked hard, and will become the foundation of a strong 1983-'84 Frosh-Soph team. Coach Gary Nuernberger was proud of his team's determination and positive attitude, even though they did end the season with a 2 win and 18 loss record.

# A TOUGH SEASON

The Girls' Varsity team did a pretty good job this season considering the injuries and amount of player shifting that needed to be done.

Varsity females depended on Jill Lameyer, Lisa Kimes, and other seniors for their scoring punch and several talented sophomores and juniors for their rebounding strength. The experienced gained this year for these girls will help for the next two years.

Under the leadership of Coaches Harold Niedermeier and Mary Saxby, the team finished with a conference record of 4 wins and 10 losses, and a season record of 7 wins and 14 losses. This was impressive considering the rebuilding year experienced by the team. With the help of next year's Juniors, they should do much better.

The weight training program consisted of approximately 20 members who went on Mondays, Wednesdays, and Fridays to improve their strength and skills. Headed by Coach Miller, the lifters participated in a Lift-a-Thon to raise money for their organization. Weight lifting is a program designed to keep the athletes in shape for coming sports or just for individual development.

Front row l. to r. Joe Morth, Dan Pawlus, Holly Keehnen, Judy Courtneyman, Aaron Schacht, Kevin Schauer. Back row l. to r. Dave Hendrix, Patti Smiley, Barb Book, Tracey Miller, Tina Lemanski, Tina Jacobson, Sue Herrmann, Cathy Lewius, Maria Jackson, and M. Richards, advisor.

What we thought was, perhaps, one of the more unified staffs this year put together this book, "Reflections of Indian Heritage." Many may not realize the preparation it takes to put together this book, but long hours with things we call croppers and pica rulers is the real reason this book is here today.

As before, the annual Pizza party was held. Many fund raisers, which basically included ad and sweatshirt sales, went towards supporting the book. Overall, a year of fun and enjoyment, as well as hard work, was put in by the staff.

# SMOKE SIGNALS

Front Row L. to R.-Joe Moth, Kevin Schauer, Mrs. Olsen-advisor, Denise Dory, Dan Pawlus, and Shelly Fransen. Second Row L. to R.-Tina Lemanski, Cathy Pawlus, Jamie Rodenbeck, Maria Jackson, and Tina Jacobsen.

This year the Smoke Signals staff published their page in the "Pec News" every other week. Mrs. Olsen advised the staff as she has in years past.

The only fund raiser the staff participated in this year was selling flower bulbs for their upcoming pizza party.

This year the nine members of the staff wrote editorial, sports, and school related articles. The staff is made up of members that enjoy writing and seeing their work published.

# NATIONAL HONOR SOCIETY

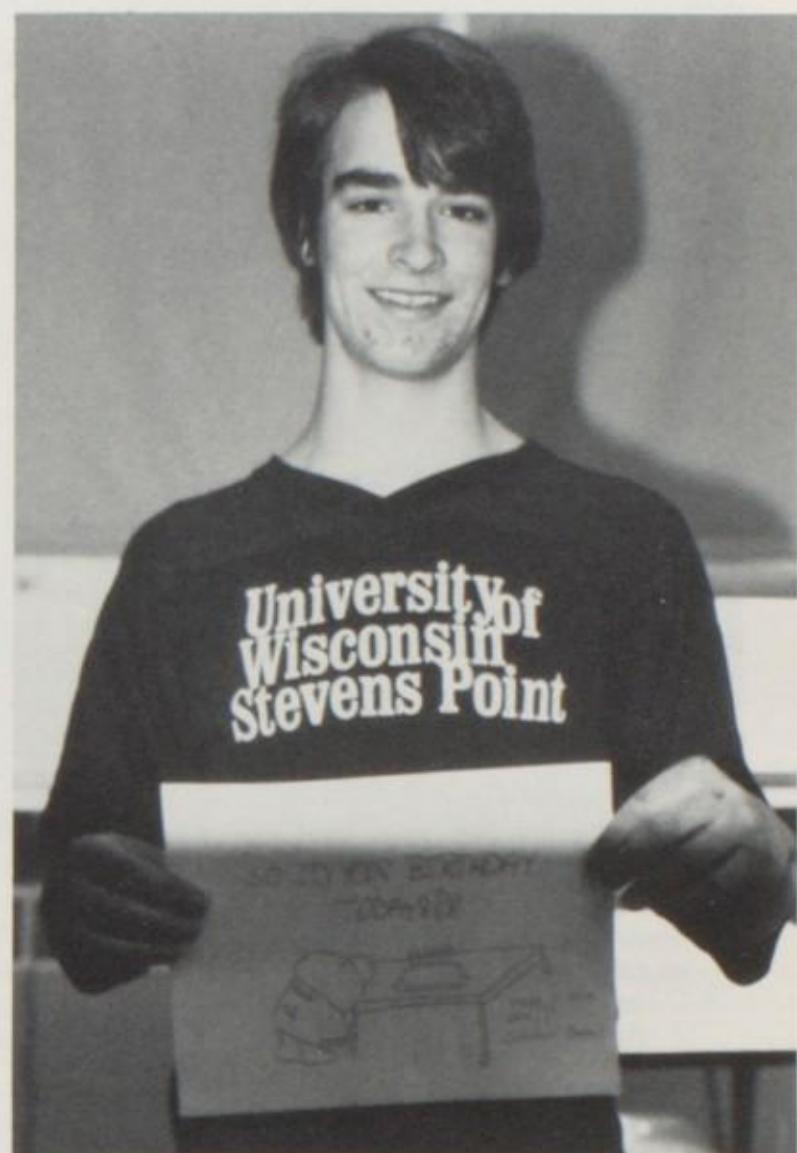

**First Row L. to R.**-Jody Sutton, Chris Mehlhausen, Lisa Kimes, Denise Start-Secretary, Patti Smiley-Vice President, Joe Eckburg-President, John Meyers-Treasurer, Shelli Allen, and Terri Cambier. **Second Row L. to R.**-Advisor Miss Kleindienst, Gary Pieper, Tim Edwards, Judy Countryman, Lynn Weber, Joy Mueller, Margaret Brown, Kris Klages, Laura Mirell, Kathy Loukora, Carline Shipman, Denise Greene, and Kevin Schauer. **Third Row L. to R.**-Cathy Vance, Brad Mathieu, Timm Turtle, Mike Schablaske, Ben Dickinson, Jane Doty, Mike Holland, Sue Nailor, and Steve Chiodini.

Perhaps one of the most prestigious groups the school supports is the National Honor Society. Members who are newly inducted are required to have a 3.25 grade point average if they are juniors or seniors, and a 3.5 grade point average if they are sophomores. Present members are also required to keep their scholastic average.

This year as in years past, the annual banquet for new inductees was conducted by Miss Kleindienst, the advisor. New members will now prepare for next year's activities.

# STUDENT COUNCIL

The 1982-83 Student Council put on a very successful Homecoming. Our theme was "Autumn's Golden Memory". Homecoming week was celebrated with many activities. A competition was held between classes throughout the week, and points were awarded to the class with the most participation. Monday there was no school, Tuesday was "Penny Day", Wednesday was "Color Day" and "Relay Day", Thursday was "Hat and Stuffed Animal Day", and Friday was "Purple and Gold Day". The Senior class was awarded a trophy for obtaining the most points. Also, Friday was the Homecoming Parade and the football game. The Student Council spent Saturday decorating the gym for the dance that evening.

The Student Council also sold Christmas wrapping paper, and sponsored a sock-hop. Officers for the year were as follows: President-Tina Harker; Vice-President-Tracey Miller; and Secretary-Terri Cambier.

The FHA membership has increased from last year to 39 members. They held monthly meetings and had a fund raiser.

The club held many activities including a pizza party, Daddy-Daughter Night, and Grandparent's Thanksgiving. They served the school board dinner, held a Spring Banquet, had a Christmas party, and collected canned goods for the needy at Christmas. They attended the Fall Rally at Le-Win High School, the Spring Rally at Dakota High School, and the State Leadership Conference at Springfield, where Cindy Wagner took first place in her skill shop. They sponsored the Spirit Chain for Homecoming, served lunch and decorated the gym for the Homecoming dance. They had a Style show, a speaker on "Color Me Beautiful", and sponsored a program on Anorexia Nervosa. They also planned a week of activities for FHA-HERO week. Sherri Adams was elected Section 2A President.

The club donated to the March of Dimes, S.I.D.S., National FHA-HERO Building Fund and Illinois FHA HERO Foundation.

A "National organization promoting leadership, education, and motivation for those young people involved in agriculture related fields." That is the role of the F.F.A. (Future Farmers of America). Officers of the 1982-83 Pecatonica Chapter are: President-Greg Wagner, Vice President-Pete Green, Secretary-Tim Swanson, Treasurer-Jim Jordan, Reporter-Gary Pieper, Sentinel-Mike Bellows, and advisor-Mr. Ron Welling. This year's F.F.A. membership consisted of twenty members.

Again this year, the chapter participated in many events and activities for the betterment of their school, community, and organization. The basketball team was undefeated beating Orangeville twice, Durand, and Dakota. They also had two bowling teams that faced other schools.

The organization donated \$125 to two needy families, participated totally in national F.F.A. week, and attended the National Convention in Kansas City.

Competitions in soil judging, dairy judging, and livestock judging were participated in by team members. Individual top award winners for the year were Gary Pieper in vegetable production and Peter Green in forest management. We salute our F.F.A.

Turning from a group consisting of primarily German and French students, this year's Foreign Language Club has gone totally Spanish. Basically due to the new teacher Mrs. Pat Mucha, a strong group of Espanole students is arising. The group, this year, participated in various activities such as parties and trips. The overall opinion seems to be on the upswing for the education of Spanish to the students. A bright future for this new dimension looks not far off.

The D.A.R. award is given to the student showing qualities such as dependability, leadership, service to the community, and patriotism. Denise Stark has these qualities and thus is the recipient of the award.

Each year, the D.A.R. award is presented to one high school senior in all accredited high schools in Winnebago County. Denise Stark was one of three girls selected by the senior class for the award, and she was then selected by the faculty of the high school.

The A.M.S. Stenographic Award, presented to a student in each of the area high schools was received this year by Patti Smiley. To recognize shorthand and transcription skills, the Rockford Chapter of the Administrative Management Society gives this award to each student on the basis of shorthand ability including scholarship, activities, appearance, and interest in office work.

# BAND

The band had another busy year this year, under the direction of Mr. William Miller. They began marching band practice before school started, and performed until the end of October. The highlight of the marching season was the bands participation in Northern Illinois University's Homecoming Parade and Massive band spectacular at the half time of the football game.

Several people tried out for district band again this year. Three people from Pec made it: Patti Smiley, Kevin Schauer, and Chris Mehlhausen. This was held at Northern Illinois University. It is a band made up of students from northern Illinois schools.

The Pec band then prepared for their Christmas concert and pep band for basketball games.

This year Pec hosted the Mid-Northern Festival which many students from the Mid-Northern schools participated in. Mr. Dale Hopper from Western Illinois University was the director for the day.

In January, the band started preparing for Solo and Ensembles contest. Pec brought home 17 firsts, 25 seconds, and 2 thirds.

The band then prepared for Organizational contest for which they received a first. At this time, final preparations were made for the spring concert.

Again this year the band boosters sponsored a banquet at which the medals and letters were handed out. Also, Jon Bauch was given the John Phillip Sousa Award for being an outstanding senior band member.

The band topped off the year with their annual picnic at the Seward Forest Preserves.

Once again, another bright and vibrant musical production was put on here at Pecatonica High School. "West Side Story", a wonderful modern musical about a love affair and the battle of racial groups during the 1950's was performed two nights on April 29 and 30th in the high school gym. A large cast was included this year and over 95 people participated in the production. Guest choreographer, Patte Armato, along with Miss Berth Heuer, directed the show. The production was enjoyed by a community of wonderful theater-goers.
